NEW BALANCE - 38 EVERETT STREET, BRIGHTON, MA

The New Balance location at 38 Everett Street in Brighton hosts a sample retail location for many of its products. This showroom features many of the fixtures and layouts used in their retail locations around the world. They asked RM Cochran to extend the length of

the room which included moving huge plate glass walls, building walls, custom cabinet install, and installing new flooring. Combined with multiple subcontractors, the finished piece was right on point.
