## MERCANTILE WHARF APARTMENTS - BOSTON

Mercantile Wharf Apartments project continues with its second phase. The focus of this stage is receiving supplies and materials, cabinet installation, flooring and roll in shower completion.

## MERCANTILE WHARF APARTMENTS - BOSTON

During this phase of the project, we finally caught up with the lethargic supply chain and materials started flowing in. Included in the shipments were appliances, doors and carpeting for seven units and the storefront for the new management office. Due to COVID, most materials have a lead time of at least twice of the normal shipment times.
