Measured Success

Braintree Village - Interior Storefront

As part of the larger Braintree Village renovation project, the former indoor pool area is being converted into a fitness room and a dance/yoga room. Once the glass panels

are installed, the bronze aluminum frames will provide lots of natural light for these workout areas.

Lowell Belvidere - 50 Chestnut Street

We have come to the end of phase 2 of our kitchen and bathroom renovations up in Lowell, MA. 18 Bathrooms and 12 Kitchens completed which completes all the units in that community.

Conant Apartments - Grab Bars

One of our standard service options is the installation of ADA grab bars for some of our clients. Sometimes our clients require blocking on the wall to insure a strong support.
