## **Working at MIT**

## ***M.I.T - Ray and Maria Stata Center - Cambridge, MA***

A professor at Massachusetts Institute of Technology (MIT) needed his office wall in the Linguistics Department painted with chalkboard paint. The process required multiple coats of chalkboard paint as well as

multiple passes of sanding using various grits of sandpaper. The result was a glass like finish on the chalkboard service which made our clients very happy!

## ***Christopher Columbus Plaza - Boston, MA***

Interior renovations are underway at the North End oasis called Christopher Columbus Plaza. The focus of

this project is upgrading some more of the common areas.

## Conant Street Apartments - Beverly, MA

This north shore property, managed by Peabody Properties, is a serene, garden-style community of sixty, two and three bedroom apartment homes.

The resident needed their kitchen and bathrooms brought up to ADA standards. We partnered with Norfolk Kitchen & Bath Braintree to provide the ideal kitchen, complete with a pull of cutting board.
