TWICE AS NICE

NEW EXPANDED OFFICE

For what seems like forever, RM Cochran has been headquartered at 10 Draper Street #33 in Woburn, MA in a industrial/commercial bay. As our company grew at a significant pace over the past 10 years, it became clear that this bay was not enough to continue growing.

Yet with commercial space at a premium, it seemed unlikely that we could find something that would work for us.

However, one day fortune smiled and the bay directly next door at #34 was being available and we left into action. Now, not only have we doubled our space but this space is right next door. We have also gained improved office space as well as a state of the art conference room.

With the help of our loyal clients, we hope for continued growth for years to come!

Unit 34 came with industrial grade shelving, a forklift and a pallette jack.

NEW EXPANDED OFFICE

After renovating the conference room and office, we added tech in the form of new printers and displays.
